SUBJECT: **REQUEST FOR PROPOSALS (RFP) TO PROVIDE COMPREHENSIVE SERVICES FOR THE ASSEMBLY BILL (AB) 109 NINE-MONTH STATUS REPORT (ITEM 19, AGENDA OF MARCH 25, 2014)**

On June 25, 2013, the Board approved, as amended on motion of Supervisor Molina, the Probation Department's recommendation to approve a contract modification with HealthRight360, to continue to provide comprehensive services to the Assembly Bill (AB) 109 population. The Board directed the Chief Probation Officer to:

1. Extend the current contract with HealthRight360 for a period of 12 months;
2. Provide six and nine-month progress reports to the Board at its regularly scheduled meetings on January 7, 2014, and on March 25, 2014;
3. Immediately take all steps necessary and appropriate to complete a Request For Proposals (RFP) process for the services provided under the existing contract, consistent with the current model;
4. Where applicable, ensure that HealthRight360 establishes base funding for their subcontractor agreements consistent with each subcontractor's prior service units and expenditures. Also, if any additional services are required, the subcontractor will be paid according to the base funding rate; and
5. Ensure that the RFP is geared towards services that are consistent with evidence-based practices with clear deliverables to ensure optimum outcomes.
